Client's Declaration;

- I, the client, agree to pay an advance amount before the commencement of the project.
- In case of project cancellation from my side after the start, only 50% of the advance will be refunded as per policy.
- I understand that I need to provide necessary project-related content (images, texts, references, etc.) timely.
- I agree to cooperate with the Freelancer during development by responding to queries and providing feedback promptly.

Client's Signature;

Freelancer's Declaration;

- I, Prince Bhatt, commit to delivering the project professionally and timely, as per the discussed requirements.
- I will keep the client informed about each phase of the development and involve them in review and feedback.
- The project will be delivered on time, ensuring adherence to the agreed timeline and deadlines.
- All source code, credentials, and documentation will be handed over to the client upon final payment.
- I ensure that the delivered project will be optimized, responsive, and built with clean code practices.
- I will offer 1-month post-deployment support for any bug fixing or minor updates.
